

Артикул на mod_vm_latestproduct

Файл administrator/components/com_virtuemart/classes/ps_product.php

Заменить

```
$q = "SELECT product_id, product_name, product_parent_id,  
product_thumb_image FROM #__{vm}_product WHERE product_sku='$product_sku';
```

на

```
$q = "SELECT product_id, product_name, product_parent_id,  
product_thumb_image, product_sku FROM #__{vm}_product WHERE  
product_sku='$product_sku';
```

И добавляем в

```
$tpl->set( 'product_id', $product_id);  
$tpl->set( 'product_name', $db->f("product_name") );  
$tpl->set( 'show_product_name', $show_product_name );
```

кусочек

```
$tpl->set( 'product_sku', $product_sku );
```
